

ARTIST ALLEY

The large space dedicated to authors

Romics is pleased to bring to your attention the **Artist Alley**: the place which allows artists to get to work in order to create illustrations, sketches and **promote their own work, meet fans, make commissions, write dedications, make drawings and sell their original plates.**

Within Comics City, the heart of comics of Romics, this place emerges as **the large space dedicated to the most important italian and international comics illustrators and authors.** A unique opportunity to closely follow the ninth art.
